This message is intended for returning undergraduate students.

We hope you're becoming adjusted to and are enjoying your online courses. We know that this has been a big change for our entire Lynn University family, so we're committed to providing advanced notice, as much as possible, about upcoming actions we need you to take.

- **Course registration begins April 1.** Your academic adviser will soon be in touch regarding course registration for the Fall 2020 semester. Please make sure you schedule an appointment with your adviser during the time that you're eligible to register. All registrations must be complete no later than May 8. Questions? Contact your academic adviser.
- **Housing selection begins April 1.** All students who have completed a housing application and submitted their deposit for the 2020-21 academic year will receive an email Monday, March 30, that confirms their time slot to log into the housing platform and select housing. Housing selection opens Wednesday, April 1 at noon and runs through Friday, April 3 at 11:59 p.m. All students must confirm their selection by that time. Questions? Contact [housing](#).

We look forward to being in touch next week.
